Thanks, Mike, for the quick update. **Ex. 5 Deliberative Process (DP)** since our last discussion. Perhaps, we can talk more this morning at the HED BC meeting at 9:00 a.m. about timing.

Best regards,

Hi Marion – We haven't started working on this yet, but the situation will likely be as follows. **Ex. 5 Deliberative Process (DP)**

Mike –

Sorry to be a pest, but do you have any recent updates on timing of the aldicarb on citrus use that Debra and I discussed with you and EFED? Apparently, Mike Goodis is currently traveling with Alex Dunn, and the issue of the aldicarb submission from AgLogic probably surfaced. Let me know if you have any quick information on when you think HED may be able to let us know whether the dietary (or anything else) passes. Many thanks!
